RE: Formal Application to revise certain non-recurring charges.

Dear Ms. O'Donnell:

This is an application to revise certain non-recurring charges for Murray No. 2 Water District. Attached is the non-recurring charge cost justifications and the proposed tariff sheets.

Murray No. 2 Water District is not requesting a water rate increase at this time. However, increased costs attributable to certain non-recurring charges can no longer be absorbed by the District. The customers affected by these increases will be the customers that cause the District to incur these additional expenses. Additional revenue to be generated will not exceed 5% of the total revenues provided by all miscellaneous and non-recurring charges for the past 12 months.

The District has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Commission.

The District will publish the enclosed public notice of these requested rate revisions in the local newspaper for three consecutive weeks. The first notice has already been published and the newspaper ad is enclosed. We will follow up with a filing of the second and third newspaper ads along with an affidavit from the newspaper verifying that the notice was published for three consecutive weeks.

A copy of this application and related filings has been sent to the Office of the Attorney General, State Capitol Building, Suite 118, Frankfort, KY 40601.

Very truly yours,

James Harris
Manager
